

4 REASONS WHY YOU NEED A PRIMARY CARE PROVIDER

1 LOWER HEALTH COSTS

People who see a primary care provider save 33% on healthcare costs, compared to those who only see specialists.

2 HIGHER LEVEL OF COMFORT

Adults who visit a primary care provider regularly have 19% lower chance of premature death.

3 IDENTIFY HEALTH ISSUES

Catching health issues early on increases your chance of recovery, and is 300% - 720% less costly than an ER visit.

4 REFERRALS TO SPECIALISTS

Primary care is often the first point of contact for depression, chronic disease and other health concerns.

SOUTH POINTE HEALTHCARE TIP:

Most major insurance providers *cover annual physical fees* regardless of your deductible. Scheduling an annual physical is the first step towards taking charge of your health.
